**DETERMINATION OF PLACE**

Trials are only held in the 100 Meter Dash. All other races are decided on time – that is – the eight fastest times or best marks from all of the sections in each event determine the first eight places. Ties in field events will be broken according to USATF guidelines.

**GENERAL INFORMATION**

The running events in today's meet are seeded, that is the runners are assigned to heats or sections based on their respective performance at the Region/ Division Championships. There will be one section for those events not run in lanes (4x800, 800, 1600). For all other events, three or four heats will be run, with the slowest seed times first and the fastest last.
